13. To receive communications through electronic means, including Annual Reports and Notices, members are requested to kindly register their email address with their respective depository participant (DPs), where shares are held in Demat mode. Shareholders who are holding shares in Demat Mode are requested to notify any change in their residential address, bank account details and/ or email address immediately to their respective Depository Participants.
14. The company has appointed M/s. Sandeep Dar & Co., Practicing Company Secretaries, Navi Mumbai, to act as the scrutinizer, to scrutinize the remote e-voting and e-voting at AGM in accordance with the law in a fair and transparent manner.
15. In accordance with Regulation 15(2) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015; our Company is exempted from compliance with the Corporate Governance provisions and hence Corporate Governance report is not required to be attached with this Annual Report.
16. Since the meeting will be conducted through VC/OAVM facility, the route

map is not annexed to this Notice. Further the deemed venue of the AGM shall be the Registered Office of the Company At 303 Tantia Jogani Industrial Estate JR Boricha Marg, Lower Parel, Mumbai, Maharashtra, India, 400011.

17. SEBI vide its circular dated 25 January 2022, has mandated that the listed companies shall henceforth issue the securities in dematerialised form only, while processing service requests such as issue of duplicate share certificates, transmission, transposition, etc. Accordingly, members who still hold shares in physical form are advised to dematerialise their holdings.

THE INSTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

- i. a. The register of members and share transfer books will remain closed from Saturday, June 08, 2024 to Friday, June 14, 2024. (Both days inclusive).
- b. Voting period begins on June 11, 2024 at 9.00 A.M. and ends on June 13, 2024 at 5.00 P.M. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of June 07, 2024 may cast their vote electronically. The e-voting module shall be disabled by Bigshare for voting thereafter.
- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii. Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.
- iv. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in Demat mode are allowed to vote through their Demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Explanatory Statement in respect of the Special Business pursuant to Section 102 of the Companies Act, 2013:

Item 4:

In appreciation of continuing support from shareholders of the Company the Board recommended to issue bonus shares to the existing equity shareholders of the Company in the proportion of 1:2 [i.e., 1 (One) fully paid-up equity share of nominal value of Re. 1/- each for every 2 (Two) equity shares of nominal value of Re. 1/- each held by them.]

Pursuant to the provisions of Section 63 and other applicable provisions, if any, of the Companies Act, 2013 and subject to applicable statutory and regulatory approvals, the issue of bonus shares of the Company requires approval of the Members of the Company.

In case of fractional entitlements arising out of the issue of bonus equity shares, the Board will make suitable arrangements to deal with such fractions for the benefit of the eligible Members, including but not limited to allotment of total number of new equity shares representing such fractions to a person(s) to be appointed by the Board who would hold them in trust for such Members and shall, as soon as possible, sell such equity shares at the prevailing market rate and the net sale proceeds of such shares, after adjusting the cost and the expense in respect thereof, shall be distributed among such Members who are entitled to such fractions in the proportion of their respective fractional entitlements.

The Board recommends this resolution as set forth in Item 4 of the accompanying notice for approval of the members of the Company by way of Ordinary Resolution.

None of the Directors or Key Managerial Personnel of the Company or their relatives are concerned or interested or deemed to be concerned or interested in passing of this resolution, except to the equity shares held by them in the Company.

Item 5:

Mr. Harsh Agarwal was appointed as an Additional Director in capacity of an Independent Director by the Board of Directors in their meeting w.e.f. May 10, 2024 upto May 09, 2029. His tenure as Additional Director is till the date of this Annual General Meeting. Mr. Harsh Agarwal is eligible for appointment as Independent Director of the Company.

The Company has received from Mr. Harsh Agarwal:

- i. Consent in writing to act as Director in Form DIR-2, pursuant to Rule 8 of the Companies (Appointment and Qualifications of Directors) Rules, 2014.
- ii. Intimation in Form DIR-8 in terms of Companies (Appointment and Qualifications of Directors) Rules, 2014, to the effect that he is not disqualified under subsection (2) of section 164 of the Act.
- iii. a declaration to the effect that he meets the criteria of independence as provided in sub-section (6) of Section 149 of the Act.

BRIEF PROFILE

Mr. Harsh Agarwal, 37 years old, has a Bachelor of Commerce Degree from University of Rajasthan. ANNEXURE – III

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

A. INDUSTRY STRUCTURE AND DEVELOPMENTS:

So far, Non-Banking Finance Companies (NBFCs) have scripted a great success story. Their contribution to the economy has grown in leaps and bounds. With the ongoing stress in the public sector banks due to mounting bad debt, their appetite to lend (especially in rural areas) is only going to deteriorate, thereby providing NBFCs with the opportunity to increase their presence. The success of NBFCs can be clearly attributed to their better product lines, lower cost, wider and effective reach, strong risk management capabilities to check and control bad debts, and better understanding of their customer segments.

Going forward, the latent credit demand of an emerging India will allow NBFCs to fill the gap, especially where traditional banks have been wary to serve. Additionally, improving macroeconomic conditions, higher credit penetration, increased consumption and disruptive digital trends will allow NBFC's credit to grow at a healthy rate over the next five years. Clearly, NBFCs are here to stay.

B. OPPORTUNITIES AND THREATS:

Your Company is exposed to external and internal risks associated with the business. It is exposed to strong competitive pressures and financial risks from changes in interest rate, economic cycles etc.

The independent finance industry, issues debt and lends the proceeds to individuals and Corporations on both Secured and Unsecured basis. Consequently, the ability to access the short, medium and long-term markets at competitive rates is critical to their ongoing viability. Your company faces tough competition from Nationalized, Foreign and Private Sector Banks due to their ability to grant loan at a considerably low rate of interest. Private Banks are also working on the similar business model as the NBFCs do, thereby giving a very strong competition to the NBFC's.

RBI and Government restrictions: With more stringent norms governing the functioning of NBFC and certain government restrictions act as a hindrance in smooth functioning of NBFC.

C. SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE:

The Company is a Non-Banking Finance Company (NBFC). It is engaged in the business of investment and lending which is the only segment in the Company. Hence, the results for the year under review pertain to only financing activity.

D. RISK AND CONCERNS:

The Company has a strong Risk Management System for identification, monitoring, mitigation and reporting of the risks associated with its operations. The Company has an established practice of compliance reporting covering all operations and support functions; compliance reporting is periodically reviewed to ensure comprehensive coverage.

E. OUTLOOK:

Company would definitely try to establish itself and remain as a strong player in the finance industry. With the Capital market expected to be in a better

mode than the previous few years and with our efforts we can look forward to a prosperous year for the company.

Our portfolio at Ashirwad "Ashirwad-200" remains strong, focused and varied yet balanced and is well on its way to deliver a dynamic performance for the next five years. We are excited to see how the macro model of the Indian economy benefits the micro, i.e., the results of the large cap Companies of India.

F. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY.

The Company has an adequate system of internal control to ensure that the resources are used efficiently and effectively so that:

- Assets are safeguarded and protected from unauthorized use or disposition.
- All significant transactions are authorized, recorded and reported correctly.
- Financial and other data are reliable for preparing financial information.
- Other data are appropriate for maintaining the accountability of assets.

The internal control system is supplemented by an extensive internal audits programme, review by management, documented policies, guidelines and procedures.

G. MATERIAL DEVELOPMENTS IN HUMAN RESOURCES/ INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED:

Your Company has cordial relations with its employees. The Company commends the commitment, dedication and competence shown by its employees in all aspects of business. With the growing requirements of the Company, Company has taken necessary initiatives to ensure not only the retention of the employees but also their growth and development.

INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS

To the Members of

ASHIRWAD CAPITAL LIMITED

Opinion

We have audited the accompanying financial statements of **ASHIRWAD CAPITAL LIMITED ("the Company")** which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (Including other comprehensive income) and Cash Flow Statement and the Statement of changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and its Profit/loss, including Other Comprehensive Income, Cash Flow and the statement of changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon. There are no other key audit matters and we do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Financial Statements

The Company's Management and Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards prescribed under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Director are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. (A) As required by section 143 (3) of the Act, based on our audit, we report that:
 - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. the Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of changes in Equity dealt with by this Report are in agreement with the books of account;
 - d. in our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under section 133 of the Act as applicable.

- e. On the basis of written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “**Annexure B**”.
- g. With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the Company has not paid any remuneration to its directors during the year.
- h. With respect to the other matters to be included in the Auditors’ Report in accordance with Rule 11 of the Companies (Audit and Auditor’s) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position.
- ii. Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

“Annexure B” to the Independent Auditor’s Report of even date on the Financial Statements of ASHIRWAD CAPITAL LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **ASHIRWAD CAPITAL LIMITED** (“the Company”) as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate or for other reasons.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

b) Leave Encashment:-

The company recognises and pays Leave Encashment on a quarterly basis to all employees.

c) Gratuity:-

The company recognises Gratuity on yearly basis and pays Gratuity to the employees on Retirement, resignation, termination of employees.

8 Provisions & Contingent Liabilities

Provisions

Provisions are recognized when there is a present obligation as a result of a past event and it is probable that an outflow of benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation.

Contingent liabilities

Contingent liabilities are disclosed when there is a possible obligation arising from the past events, the existence of which will be confirmed only on the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not portable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

9 Income Tax, Deferred Tax and Dividend Distribution Tax

a) Current and Deferred Tax

Tax expense for the period, comprising Current tax and Deferred Tax are included in the determination of net profit or loss for the period.

Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the taxation laws prevailing in India.

Deferred Tax is recognized for all the timing differences, subject to the consideration of prudence in respect of deferred tax assets. Deferred tax assets are recognized and carried forward only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

Deferred Tax assets and liabilities are measured using the tax rates and tax laws that have been enacted and substantively enacted at the Balance Sheet date. At each Balance Sheet date, the company re-assesses unrecognized deferred tax assets, if any.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances related to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognized in the statement of profit and loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity.

b) Dividend Distribution Tax :

Dividend distribution tax paid and the dividends is recognized consistently with the presentation of the transaction that creates the income tax consequence. Dividend distribution tax is charged to Statement of Profit and Loss.

NOTES TO THE FINANCIAL STATEMENTS

10 Impairment of Assets

Assessment is done at each Balance Sheet date as to whether there is any indication that a tangible asset may be impaired. For the purpose of assessing impairment, the smallest identifiable group of asset that generates cash inflows from continuing use that are largely independent of the cash inflow from other assets or groups of assets, is considered as a cash generating unit. If any such indication exists, an estimate of the recoverable amount of the asset/cash generating unit is made.

Assets whose carrying value exceeds their recoverable amount are written down to the recoverable amount. Recoverable amount is higher of an asset's or cash generating unit's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an assets and from its disposal at the end of its useful life. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognized for an asset in prior accounting periods may no longer exist or may have decreased.

11 Cash and Cash Equivalents:

In the Cash flow statement, cash and cash equivalents include cash on hand, demand deposits with bank, other short term highly liquid investments with original maturity of three months or less.

12 Earnings per share:

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by weighted average number of equity shares outstanding during the period. The Weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for the events, such as bonus shares, other than conversion of potential equity share that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity share holders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

13 Financial Instruments

A financial instrument is a contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

1) FINANCIAL ASSETS

i) Classification

The Company classifies its financial assets in the following measurement categories:

a) at fair value through other comprehensive income (FVOCI)

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

Gains and losses will be recorded in the statement of Profit and Loss through other comprehensive income for assets measured at fair value.

For investments in debt instruments, this will depend on the business model in which the investment is held.

For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value or through other comprehensive income.

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

ii) Measurement

At initial recognition, in case of a financial asset not at fair value through the statement of profit and loss account, the Company measures a financial asset at its fair value plus transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through the statement of profit and loss are expensed in profit or loss.

a) Equity instruments

The Company measures all equity investments at fair value. The Company's management has opted to present fair value gains and losses on equity investments through profit and loss account. Dividends from such investments are recognised in the statement of profit and loss as other income when the Company's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit and loss are recognised in other income or other expenses, as applicable in the statement of profit and loss.

NOTES TO THE FINANCIAL STATEMENTS

iii) Derecognition of financial assets

A financial asset is derecognised only when -

The Company has transferred the rights to receive cash flows from the financial asset or

Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the company has transferred an asset, it evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized.

Where the company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

iv) Income Recognition

Interest income

Interest income from debt instruments is recognised in the profit and loss statement on accrual basis. Interest income on receipt of delayed payments from creditors is recognized on cash basis.

Dividend income

Dividends are recognised in the statement of profit and loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

v) Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held at call with financial institutions, other short- term, highly liquid investments with original maturities of three months or less, that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

2) FINANCIAL LIABILITIES

i) Measurement

Financial liabilities are initially recognised at fair value, reduced by transaction costs (in case of financial liabilities not recorded at fair value through profit and loss), that are directly attributable to the issue of financial liability.

ii) Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

iii) Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid as per payment terms.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

III. A Critical estimates and judgments

In the application of the company's accounting policies, which are described in note 1, the management is required to make judgment, estimates, and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other process. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

NOTES TO THE FINANCIAL STATEMENTS

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future period if the revision affects both current and future period.

The following are the critical estimates and judgments that have the significant effect on the amounts recognised in the financial statements.

Critical estimates and judgments

i) Estimation of current tax expense and deferred tax

The calculation of the company's tax charge necessarily involves a degree of estimation and judgment in respect of certain items whose tax treatment cannot be finally determined until resolution has been reached with the relevant tax authority or, as appropriate, through a formal legal process. Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions. Where the final tax outcome of these matters is different from the amounts that were initially recorded, such differences will impact the current and deferred income tax in the period in which such determination is made.

Recognition of deferred tax assets / liabilities

The recognition of deferred tax assets is based upon whether it is probable that sufficient and suitable taxable profits will be available in the future against which the reversal of temporary differences can be deducted. To determine the future taxable profits, reference is made to the approved budgets of the company. Where the temporary differences are related to losses, local tax law is considered to determine the availability of the losses to offset against the future taxable profits as well as whether there is convincing evidence that sufficient taxable profit will be available against which the unused tax losses or unused tax credits can be utilised by the company. Significant items on which the Company has exercised accounting judgment include recognition of deferred tax assets in respect of losses. The amounts recognised in the financial statements in respect of each matter are derived from the Company's best estimation and judgment as described above.

ii) Estimation of Provisions and Contingent Liabilities

The company exercises judgment in measuring and recognising provisions and the exposures to contingent liabilities, which is related to pending litigation or other outstanding claims. Judgment is necessary in assessing the likelihood that a pending claim will succeed, or a liability will arise, and to quantify the possible range of the financial settlement.

Because of the inherent uncertainty in this evaluation process, actual liability may be different from the originally estimated as provision. Although there can be no assurance of the final outcome of the legal proceedings in which the company is involved, it is not expected that such contingencies will have a material effect on its financial position or profitability.

iii) Estimation of useful life of Property, Plant and Equipment and Intangible assets

Property, Plant and Equipment and Intangible assets represent a significant proportion of the asset base of the company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of company's assets are determined by management at the time the asset is acquired and reviewed periodically, including at each financial year end. The useful lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

iv) Estimation of provision for inventory

The company writes down inventories to net realisable value based on an estimate of the realisability of inventories. Write downs on inventories are recorded where events or changes in circumstances indicate that the balances may not be realised. The identification of write-downs requires the use of estimates of net selling prices of the down-graded inventories. Where the expectation is different from the original estimate, such difference will impact the carrying value of inventories and write-downs of inventories in the periods in which such estimate has been changed.

v) Impairment of Trade Receivable

The impairment provisions for trade receivable are based on assumptions about risk of default and expected loss rates. The company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on the company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

III. B New accounting standards/ amendments adopted during the reporting period

Following are the amendments to existing standards which have been issued by The Ministry of corporate Affairs (–MCA) that are effective for the reporting period and have been adopted by the company:

NOTES TO THE FINANCIAL STATEMENTS

a) Amendments to Ind AS 115, Revenue from contracts with customers:

Ind AS 115, Revenue from contracts with customers deals with revenue recognition and establishes principles for reporting useful information to users of financial statements about the nature, amount, timing and uncertainty of revenue and cash flows arising from an entity's contracts with customers. Revenue is recognized when a customer obtains control of a promised good or service and thus has the ability to direct the use and obtain the benefits from the good or service in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods and services. The standard replaces Ind AS 18 Revenue and related appendices.

A new five-step process must be applied before revenue can be recognized:

1. identify contracts with customers
2. identify the separate performance obligation
3. determine the transaction price of the contract
4. allocate the transaction price to each of the separate performance obligations, and
5. recognise the revenue as each performance obligation is satisfied.

The Company has adopted Ind AS 115 'Revenue from Contracts with Customers' with the date of initial application being April 1, 2018. Ind AS 115 establishes a comprehensive framework on revenue recognition. Ind AS 115 replaces Ind AS 18 'Revenue' and Ind AS 11 'Construction Contracts'. The application of Ind AS 115 did not have material impact on the financial statements. As a result, the comparative information has not been restated.

b) Amendments to Appendix B to Ind AS 21 Foreign currency transactions and advance consideration:

Appendix B to Ind AS 21 'The Effects of Changes in Foreign Exchange Rates': On March 28, 2018, Ministry of Corporate Affairs ("MCA") has notified the Companies (Indian Accounting Standards) Amendment Rules, 2018 containing Appendix B to Ind AS 21, Foreign currency transactions and advance consideration which clarifies the date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income, when an entity has received or paid advance consideration in a foreign currency. The amendment is effective from April 1, 2018. The Company has evaluated the effect of this amendment on the financial statements and concluded that the impact is not material.

B New Standards/Amendments issued by MCA but not adopted

a) Amendments to Ind AS 12 Income taxes regarding recognition of deferred tax assets on unrealised losses:

Amendment to Ind AS 12 'Income Taxes': On March 30, 2019, the Ministry of Corporate Affairs has notified limited amendments to Ind AS 12 'Income Taxes'. The amendments require an entity to recognise the income tax consequences of dividends as defined in Ind AS 109 when it recognises a liability to pay a dividend. The income tax consequences of dividends are linked more directly to past transactions or events that generated distributable profits than to distributions to owners. Therefore, an entity shall recognize the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events. The amendment will come into force for accounting periods beginning on or after April 1, 2019.
